

Declarations of Interest of BSACI Committee Members, patient management guideline producers and contributors concerning Pharmaceutical industry & commercial sponsorship

December 2018

The BSACI maintains a register of potential conflicts of interest for all members of BSACI Council, Executive Sub-Committees and Working Groups, Employees, advisors and those speaking at BSACI Conferences, training days and events, to ensure that these are recorded and if necessary addressed.

It is a requirement that potential conflicts of interest are declared on joining the committee and updated annually. Declaring an interest does not mean there is a conflict of interest. All interests should be declared if, in the view of a reasonable person, they are relevant, or could be perceived to be relevant, to the work of the BSACI committee in question. These interests are divided into two categories (with examples):

- Personal – any fees (over £250) paid directly to you for: presenting at conferences, travel, expenses, various grants, writing literature, attending meeting/conferences, and shares.
- Non Personal – funds/fees that are made to your department for salaries, research, equipment, education.

Please refer to the **BSACI Conflicts of Interest Policy Document** for description of conflicts to be declared. With your signature on the form you acknowledge that you have read this document and you affirm that the information you give is a true indication of interests.

Please also sign the confidentiality agreement which covers those who have sight of documents, or are party to discussions, relating to the development of guidelines before public consultation.

I would be grateful if you could complete the attached form and return it either by email to Ben@bsaci.org or to the BSACI at Studio 16 Cloisters House, 8 Battersea Park Road, London SW8 4BG no later than – Monday January 21st, 2019.
