

Declarations of Interest of BSACI Committee Members, patient management guideline producers and contributors concerning
Pharmaceutical industry & commercial sponsorship

January 2018

To all members of BSACI Council, Executive, sub-committees and working groups

It is important to ensure any potential conflicts of interest of those members involved in the BSACI Council and Executive Committee, sub-committees/working groups are detailed and if necessary addressed.

As a result the BSACI have decided to assemble a register of interest. These interests are divided into two categories; here we have given some examples of interest in each category:

- Personal – any fees (over £250) paid directly to you for: presenting at conferences, travel, expenses, various grants, writing literature, attending meeting/conferences, and shares.
- Non Personal – funds/fees that are made to your department for salaries, research, equipment, education.

Please refer to the BSACI Conflicts of Interest Policy Document for description of conflicts to be declared. With your signature on the form you acknowledge that you have read this document and you affirm that the information you give is a true indication of interests.

I would be grateful if you could complete the attached form and return it to the BSACI at Studio 16 Cloisters House, 8 Battersea Park Road, London SW8 4BG no later than Sunday 21st of February 2018.

Yours sincerely
