

BRIT vacancies

The aim of the Immunotherapy Registry Steering Committee is to develop and maintain a national registry for patients receiving immunotherapy under the care of the BSACI membership and to oversee the use of the data collected.

The BRIT Steering Committee would like to invite interested BSACI members with relevant clinical expertise to send an 'Expression of Interest' to join this committee as a **Nursing Representative**.

The committee meets about 4 times a year, usually virtually. All members are expected to attend the majority of these meetings. The position will be for a term of 3 years. Given the nature of the committee and the expertise required, members may be appointed for a second consecutive term.

If you wish to apply for one of these positions, please email an expression of interest detailing your experience and expertise in relation to your application (maximum 500 words) and a short CV to maria.smith@bsaci.org by **Thursday 31 July**.

Mich Erlewyn-Lajeunesse
Chair, BRIT Registry Steering Committee
