**Definition**

This membership is for post CCT Doctors (e.g. Consultants, GPs, medical/dental professionals)

Info button on website will specify this covers: nurses, allied health professionals (including dietitians, etc), psychologists, pharmacists, etc)

To qualify members must be a clinical trainee in allergy or clinical immunology or a related speciality or any non-clinician within five years of their last higher degree (eg PhD, Msc)

The above applies to those who are not yet employed in a consultant post (locum or substantive, eg. clinical research fellow with salary)

Those whose primary role in industry is scientific (which may involve some aspect of sales and marketing) would also be eligible to join the Society at the discretion of the Board of Trustees.

Applicants asked to specify from: scientist- academic/scientist- industry/clinical- industry/other-  
~~industry/scientist~~

Those registered in full-time undergraduate or postgraduate education. Postgraduate clinical students receiving a salary, including through a fellowship, may be eligible for Junior, but not Student membership

Be fully retired from substantive employment including any private clinical practice.

- Have held continuous membership for a minimum of 5 years prior to retirement
