

**Joint Facilities and Social Event Lead for
BSACI Annual Conference (volunteer position)**

We wish to appoint a BSACI member to work alongside our current Facilities and Social Event Lead to jointly plan the BSACI Conference Social Programme for the next two conferences. The social programme includes the Welcome Reception and Gala Dinner, as well as undertaking tastings for the catering at the conference.

The role requires attendance at the Marketing & Communications and Social Events meeting one hour every two weeks and email correspondence in between.

If you are interested in this role, and being part of the wider conference team, please send an email to Sandie@bsaci.org by Monday 26th January outlining why you wish to take on this role.

In return you will receive complimentary conference registration and tickets to the social events.
