

**BSACI Registry for Immunotherapy (BRIT) Vacancy:  
Trainee Representative**

The aim of the BRIT Registry Steering Committee (RSC) is to develop and maintain a national registry for patients receiving immunotherapy under the care of the BSACI membership and to oversee the use of the data collected.

Dr Mich Erlewyn-Lajeunesse, current Chair of the RSC, would like to invite interested BSACI members with relevant clinical expertise to send an 'Expression of Interest' to join this committee as a Trainee Representative.

The BRIT committee meets 3 times a year via Microsoft Teams, and once in-person at the BSACI offices. All members are expected to attend the majority of these meetings. The position will be for a term of 3 years. Given the nature of the committee and the expertise required, members may be appointed for a second consecutive 3-year term.

If you wish to apply for this position, please email an expression of interest detailing your experience and expertise in relation to your application (maximum 500 words) and a short CV to [maria.smith@bsaci.org](mailto:maria.smith@bsaci.org) by **Wednesday 29<sup>th</sup> April**.
