

BSACI GPwER Allergy Accreditation Program

GPwER Accreditation Mitigating Circumstances

Within the context of GPwER Accreditation, mitigating circumstances would be serious, unforeseen, and unpreventable events that significantly affect the candidate's ability to submit or resubmit supporting information within the required timeframe. All reports of mitigating circumstances will be considered by the BSACI. Mitigating circumstances will not result in any change to the outcome of an assessment.

GPwER Accreditation Mitigating Circumstances Form
